the 'information' and 'communication' fields. The 'information' field is defined as:

...the study of the nature, uses and functions of information, and the ways in which information is created, communicated, disseminated and organised. (p. 10)

The 'communication' field is defined as:

...the study of the nature, uses and functions of communication, and the ways in which communication is created, communicated, disseminated and organised. (p. 10)

These definitions are not intended to be exhaustive, but they do provide a starting point for the discussion.
