the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million (1990–1999) and the number of people in the public sector has increased by 2.5 million (1990–1999).

There is a growing emphasis on the need to improve the quality of public services and to ensure that the public sector is efficient and effective. This has led to a number of initiatives, including the introduction of performance indicators, the establishment of public sector bodies, and the implementation of public sector reform.

The purpose of this paper is to examine the impact of public sector reform on the quality of public services. The paper will first review the literature on public sector reform and quality of public services. It will then discuss the impact of public sector reform on the quality of public services in the UK.

The paper is organized as follows. Section 2 reviews the literature on public sector reform and quality of public services. Section 3 discusses the impact of public sector reform on the quality of public services in the UK. Section 4 concludes.

## 2. Literature review

The literature on public sector reform and quality of public services is extensive. This section will review the literature on public sector reform and quality of public services in the UK.
