the 1990s, the number of people in the world who are under 15 years of age has increased by 1.2 billion (United Nations 1999).

There is a growing awareness that the needs of children are not being met in many parts of the world. The United Nations Children's Fund (UNICEF) has estimated that 100 million children are malnourished, 100 million are illiterate, and 100 million are in need of shelter (UNICEF 1999).

The United Nations Development Programme (UNDP) has estimated that 1 billion people live on less than \$2 per day (UNDP 1999).

The United Nations World Food Programme (WFP) has estimated that 1 billion people are hungry (WFP 1999).

The United Nations Educational, Scientific and Cultural Organization (UNESCO) has estimated that 1 billion people are illiterate (UNESCO 1999).

The United Nations Population Fund (UNFPA) has estimated that 1 billion people are in need of family planning services (UNFPA 1999).

The United Nations Environment Programme (UNEP) has estimated that 1 billion people are in need of clean water (UNEP 1999).

The United Nations Human Development Report (UNHDR) has estimated that 1 billion people are in need of basic services (UNHDR 1999).

The United Nations Children's Fund (UNICEF) has estimated that 1 billion children are in need of basic services (UNICEF 1999).

The United Nations Development Programme (UNDP) has estimated that 1 billion people are in need of basic services (UNDP 1999).

The United Nations World Food Programme (WFP) has estimated that 1 billion people are in need of basic services (WFP 1999).

The United Nations Educational, Scientific and Cultural Organization (UNESCO) has estimated that 1 billion people are in need of basic services (UNESCO 1999).

The United Nations Population Fund (UNFPA) has estimated that 1 billion people are in need of basic services (UNFPA 1999).

The United Nations Environment Programme (UNEP) has estimated that 1 billion people are in need of basic services (UNEP 1999).

The United Nations Human Development Report (UNHDR) has estimated that 1 billion people are in need of basic services (UNHDR 1999).

The United Nations Children's Fund (UNICEF) has estimated that 1 billion children are in need of basic services (UNICEF 1999).

The United Nations Development Programme (UNDP) has estimated that 1 billion people are in need of basic services (UNDP 1999).

The United Nations World Food Programme (WFP) has estimated that 1 billion people are in need of basic services (WFP 1999).

The United Nations Educational, Scientific and Cultural Organization (UNESCO) has estimated that 1 billion people are in need of basic services (UNESCO 1999).

The United Nations Population Fund (UNFPA) has estimated that 1 billion people are in need of basic services (UNFPA 1999).

The United Nations Environment Programme (UNEP) has estimated that 1 billion people are in need of basic services (UNEP 1999).

The United Nations Human Development Report (UNHDR) has estimated that 1 billion people are in need of basic services (UNHDR 1999).

The United Nations Children's Fund (UNICEF) has estimated that 1 billion children are in need of basic services (UNICEF 1999).

The United Nations Development Programme (UNDP) has estimated that 1 billion people are in need of basic services (UNDP 1999).

The United Nations World Food Programme (WFP) has estimated that 1 billion people are in need of basic services (WFP 1999).

The United Nations Educational, Scientific and Cultural Organization (UNESCO) has estimated that 1 billion people are in need of basic services (UNESCO 1999).
