The public sector has also become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded. The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded.

The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded. The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded.

The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded. The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded.

The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded. The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded.

The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded. The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded.

The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded. The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded.

The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded. The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million (from 2.5 million in 1980 to 4 million in 1999). The public sector has become a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded.

The public sector is a complex organisation, and it is difficult to understand how it works. The public sector is made up of many different organisations, each of which has its own aims and objectives. The public sector is also funded by the government, and this means that it is subject to government control and regulation.

The public sector is a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded. The public sector is a complex organisation, and it is difficult to understand how it works. The public sector is made up of many different organisations, each of which has its own aims and objectives.

The public sector is also funded by the government, and this means that it is subject to government control and regulation. The public sector is a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded. The public sector is a complex organisation, and it is difficult to understand how it works.

The public sector is made up of many different organisations, each of which has its own aims and objectives. The public sector is also funded by the government, and this means that it is subject to government control and regulation. The public sector is a major employer in the UK, and this has implications for the way in which the public sector is managed and the way in which it is funded.
